WE NEED YOUR HELP!

Highlands County Libraries are looking to expand our “Library of Things” collection and need your help!

Complete our survey to share what new types of items you would like to see our libraries offer in the future!

Scan this QR code with your phone to complete the survey.

NOTE: A “library of things” is a collection of items that are not “standard” library items. Our board games, video games and seed library would be examples of this.
