Summer Success

The Okeechobee County Public Library would like to thank our patrons for making 2018 Summer Reading a great success!

The Scholastic Summer Reading Program was a hit with students who completed over **40,000 minutes** of reading through June and July.

Adults had their fun too with over **2,200 books read** and entered into our summer prize raffle.

There was lots of fun, crafts, music, and dancing happening at the library with over **760 participants** attending our summer programs and Summer Reading Camp.

Over **150 items and meals** were collected as part of our food drive for Martha's House.

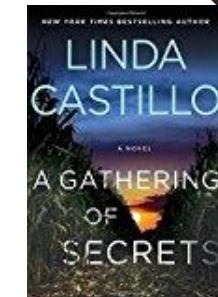

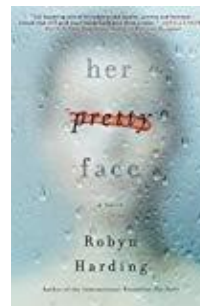

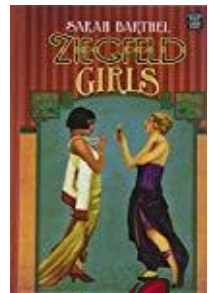

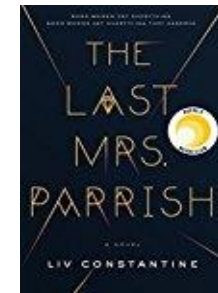

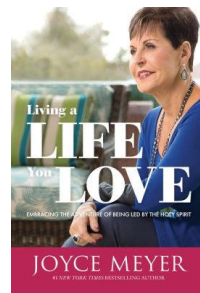

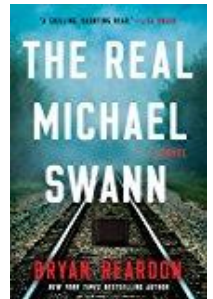

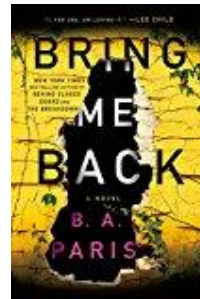

The Library would also like to give a special thank you to **Mrs. Cassandra Woyak, Martha's House Charity,** and the **Okeechobee Community Theatre,** for their time, assistance, and donations.

Storytime Break

After a fun and busy Summer Reading Camp, Storytime with Ms. Kim will be on a break for the month of August. It will begin again Wednesday, September 5th @ 10:30 a.m.
