Cards for Veterans

The **Okeechobee Library** will be providing an opportunity for patrons to make holiday cards for our **local veterans**. Throughout the month of **November**, a craft station will be set up for patrons to make handmade cards. Blank cards will also be available for those that would like to express their appreciation with a few words.

This is a **free** program; all materials will be provided by the Library. Cards will be delivered to local veterans during the Christmas holidays.
