Census 2020 is almost here!

Invitations to fill out the 2020 Census will be mailed out between **March 12th - 20th**. Once you receive that invitation you can respond online, by phone, or by mail. The Okeechobee Library will have computers and volunteers available to help you access the 2020 Census online.

Every person counts! You matter!

Every person counted in the Census brings in **\$1,600 per year** in federal funds to the county, which means one person brings in **\$16,000 in funds for 10 years!** This funding affects schools, health clinics, fire departments, and even roads and highways.

The Census also determines governmental representation. The number of seats in Congress for each state is affected by the Census population.

There's no need to worry about privacy. Census statistics remain anonymous, and information is not released for 73 years.

It's simply not in Fixie's nature to say no to people. So when a handsome stranger in a coffee shop asks her to watch his laptop for a moment, she not only agrees - she ends up saving it from certain disaster. To thank Fixie for her quick thinking, the computer's owner scribbles an IOU on a coffee sleeve and attaches his business card.
