New Little Free Libraries for Okeechobee County

The Okeechobee Library is proud to announce that the first two of our Little Free Libraries have been installed at the Douglas Brown Community Center!

While we are still working on installing the rest of our Little Free Libraries at various locations around the County, we are happy to be able to provide this service for our community during these difficult times.

The Okeechobee Library also filled both the little pantry outside of Chobee Grocery and Beauty and the Little Library in Kiwanis Park with free books for the community.

These Little Libraries will be available to the public 24/7. All of these locations will be periodically restocked by the Library. So please feel free to take a book or leave a book!
