There were no significant changes in State Aid from the previous fiscal year. **Budget presentation by Wicks, Brown, Williams & Co. CPA’s LLP:**

Cheryl Williams of Wicks, Brown, Williams & Co. CPA’s LLP presented the year-end financial statement for the year ending September 30, 2020. Cheryl informed the board that this was the draft form of the financial statement and that final numbers may be slightly different to reflect any needed adjustments; once adjustments are made the final statement will be uploaded and submitted to CliftonLarsonAllen for the yearly audit. Cheryl presented the amounts in the Heartland Library Cooperative’s various accounts. Cheryl stated that payables were current as the final invoices that were presented in October and November for the FY20 year-end had
been submitted for payment. Among these final invoices was a delay in invoices for wages for
the Assistant Coordinator leading to a delay in the financial statement. Cheryl also presented
the revenues and expenditures for the fiscal year ending September 30, 2020. Expenditures to
personnel salaries was $12,000 to the good; despite salary adjustments needed after the
promotion of the Coordinator and Assistant Coordinator, these expenses were able to be
covered without using any reserves. Operating expenditures was also $66,000 to the good.
While one line item was $11,000 over, a Kaspersky renewal, overall the budget was able to
remain in the positive. Donna Storter-Long commended the accountants for their work. Donna
also commended the Cooperative for coming in under budget even with many unexpected
changes this year. Cheryl informed the board that the auditors plan to start the audit after the
Thanksgiving holiday so Wicks, Brown, Williams & Co. will submit the final financial statement
within the next couple of days.

Storter-Long offering a location in Glades and Arlene Tuck offering another in Sebring. The idea

Member Comments:

Judy Schaefer thanked the accountants for doing such a great job, commenting that the budget
looks very good for the Cooperative.

Waters explained that the grant will appear in the budget as income or revenue. Vikki Brown
stated that the auditors and accountants will ensure that the appropriate line items are created
to show expenses are being used correctly.

Jeannie Palacios was impressed with the carry forward budget that the Cooperative has been
able to maintain. She commended the foresight of creating this fund especially given the many
changes that have occurred this year due to COVID-19. Jeannie was very glad to see the Cooperative in such a secure place.

Donna Storter-Long commended Kresta King’s work in making the carry forward fund a success.

Nicole Drake stated she was happy to be on the board as a new member and looks forward to being involved in the Cooperative.

Linda Waters stated that she was also grateful for the positive carry forward balance of the Cooperative. She informed the board that due to the changes in State Aid as a result of COVID19, the large multi-type cooperatives are not being funded and some may not survive this year, so the funding is a benefit for our organization during these financial challenges. Linda also stated she was very happy to be involved in a joint cooperative that has moved to being more cohesive.

Sonya Chapa states that she was very happy to be in the position of Assistant Coordinator and involved in bringing the Cooperative together and moving forward.

Vikki also informed she and Sonya have been discussing and working on future plans for the Cooperative involving different branding and logos and anniversary ideas. She also mentioned the idea to bring the in-service day back for all Heartland staff. Donna Storter-Long agreed that this was a great idea and mentioned that the past in-service day visit to all of the Cooperative Libraries was a great event.

Donna Storter-Long thanked Sonya for her work on the minutes and the behind-the-scenes work with Vikki. Donna also thanked Vikki for her smooth transition as Coordinator especially amid so many other changes this year.

Donna Storter-Long brought forward the idea of a gift basket for former Heartland Library Cooperative Coordinator Kresta King as a thank you and farewell gesture for all of her hard work and service for the Cooperative. All members expressed their support and it was decided that every Library would send items to Jeannie Palacios through courier service to the Hardee County Library to put together the gift basket. The gift basket is to be delivered to Kresta before the Christmas holiday.
